

## **COMP4537 – Term Project Intermediate Explanation**

Dustin Brooks

Linh Truong

For this app, we decided to build upon the last individual assignment. The admin will be able to login and create quizzes for their students only. The admin can also now update the quiz name or delete the quiz altogether. The admin will also be able to update and delete individual quiz questions. The students will have to login and will only be able to see the quizzes that are assigned to them.
